

# Math 3300 Syllabus

The course syllabus is a general plan for the course; deviations announced to the class by the instructor may be necessary.

## Instructor information

**Name:** Giorgis Petridis

**Email:** petridis@uga.edu

**Office:** Boyd 632

## Course information

**Website:** Coming soon at <https://faculty.franklin.uga.edu/petridis/>

**Textbook:** Chapters 1–7 from the 5th edition of *Linear Algebra and its Applications* by Lay, Lay and McDonald.

### Grade:

- 10% webwork (lowest score is dropped - no deadline extensions)
- 5% quizzes (lowest score is dropped)
- 15% each of the three in class exams
- 40% the comprehensive final (replaces lowest in-class-exam score, if greater than it).

## Academic honesty

As a University of Georgia student, you have agreed to abide by the University's academic honesty policy, A Culture of Honesty, and the Student Honor Code. All academic work must meet the standards described in A Culture of Honesty found at: <https://ovpi.uga.edu/academic-honesty/academic-honesty-policy>. Lack of knowledge of the academic honesty policy is not a reasonable explanation for a violation. Questions related to course assignments and the academic honesty policy should be directed to the instructor.

## **Additional resources**

- The Division of Academic Enhancement offers free tutoring. Information is available here: <http://tutor.uga.edu/> and here: <http://tutor.uga.edu/arc/tutoring/>.
- The math department runs study halls in Boyd staffed by graduate students.
